

REPORT OF THIRD TRANSNATIONAL MEETING OF THE PROJECT “DART4BLIND”

Within the scope of Erasmus + Sport Small Collaborative Partnerships, "Dart Project for the Visually Impaired "DARTS4BLIND", took place the third international meeting in Florence, which was coordinated by Dr. Massimo Porciani and was held in the meeting room of the Hotel Italia Florence in Florence.

The meeting coordinated by CooperHabile Onlus from Italy, was attended by all the other project partners : From Turkey the Kahramanmaras Sutcu Imam University, from Hungary the Budapest Association for International Sports, from Croatia the Rijeka Sport Association For Persons With Disabilities, and from Portugal the Municipality of Lousada.

Following the agenda prepared by CooperHabile Onlus, the partners debated of several points, first regarding the Covid situation in all the countries partner. Then CooperHabile Onlus spoke about the event organized last 23th September in Florence, where many blind people had the opportunity to test the Darts as new sport for visual impaired and blinds and the President of CooperHabile Onlus showed many photographs of these people. For this reason Turkish partner gave an exhaustive technical explication of the tutorials, speaking about the target for darts, the darts and the different shot techniques for right or left hand users. The Turkish partner helped by this way all the attendees to understand the best way of teaching the darts shooting.

Starting with the agenda and debating about the Activities, all the partners illustrated what they carried out in recent months as expected from the project. Then the partners debated about the state of art of the Dissemination, analyzing the contacts taken with the potential project’s stakeholders. The Portuguese partner offered to write in English the tutorial short movies offering to all the partner the opportunity to translate it then in their own languages.

After this the partners debated on the budget and about any potential problem which could arise about it. And finally the participants partners decided to organize next meeting in Croatia in the days of 30th and 31st of January with departure for all on 1st of February. Naturally all the dates can be changed considering the Covid situation in any country partner.

During the lunch arrived at the meeting the coordinator for Tuscany of Italian National Dart Federation, mr. Rossolini to talk with the Turkish technician and debating about the differences in the technique between able body and disabled athletes, in shooting darts.

At the end, mr. Rossolini as representant of Italian National Dart Federation, bringing the greetings of National President, gave the greatest availability of National Federation in helping the continuation and development of the project.
